This application is for support of a _____ M.S. thesis, _____ Ph.D. thesis,
_____ Other (specify) _____

Expected completion date _____ University _____

Please respond to the items below in the space provided.

1. A. Project Title: _____
B. Project Supervisor(s): _____

2. Concisely state the objectives of the project:

3. Why is this work important? Place the project in a disciplinary and, if appropriate, regional context.

3A. If applicable, please describe the relevance of this research to Kansas Geology.

4. State how you plan to accomplish your investigation. Be specific.

5. Duration of investigation (dates):

6. Budget (Itemize your estimate in detail)

Title of category	Total Amount Budgeted	Amount Requested from KGF
1.		
2.		
3.		
4.		
5.		
6.		
7.		
8.		
Total: _____	Total: _____	

7. Amount and nature of other available funds, facilities, materials, etc:

8. Other grants that (a) have supported this project, (b) are currently supporting this project, and (c) are being applied for. This list should include funds available to the thesis supervisor, if these can support the proposed work.

Date Applied	Agency Applied to	Amount Requested	Amount Granted	Amount remaining as of March 30 of this year (projected)

9. Has a previous application in support of this research been filed with the KGF? ____ Yes, ____ No

If Yes, then Year(s) applied _____ Year(s) granted _____

10. Brief biographical sketch. Give education, major positions held, citizenship, and significant accomplishments. The committee on Research Grants needs to satisfy itself on the qualifications of an applicant to undertake the proposed research.

Additional comments from preceding pages:

Signature _____ Date _____

Please return completed application to the Kansas Geological Foundation via U.S. Mail at the address listed above or via e-mail to Janice Bright, janice@kgslibrary.com
